Chapter 1: General Information

Online Monitoring and Supervision System User Manual

Log in to M&S System

To login in the Online M&S software, follow the instructions provided here;

Type the web address checklists.dhissindh.pk here in your browser to open the M&S application login page.

The screenshot shows the login interface of the Monitoring and Supervisory System. At the top, the browser address bar displays checklists.dhissindh.pk. The header features the Government of Sindh emblem, the title "Monitoring and Supervisory System", and the text "Department of Health, Government of Sindh". On the left, a map of Sindh is divided into districts, including Jacobabad, Shikarpur, Ghatki, Sukkur, Khairpur, Nawabshah, Jamshoro, Karachi, Thatta, Sujawal, Badin, Umarkot, and Tharparkar. The login form on the right includes a "Login" header, "Username..." and "Password..." input fields, and a "Sign in!" button. A "Download" button with a downward arrow is located at the bottom right. A copyright notice "Copyright all rights reserved. Health Department Government of Sindh." is at the bottom center.

Enter your **Username** here, this is case sensitive input.

Enter your **Password** here, this is case sensitive input.

After entering your User name and Password, Click **Login** button

Clicking on Download will take you to the page containing all downloadable checklists without logging in to the system

Downloadable Checklists page

This page consists of all checklists in downloadable word and pdf formats. Supervisors may download these checklists and forms to make monthly visits plan. Before entering data of visit plan and filled checklists into online system, these forms may be filled by supervisors during health facilities visits

The screenshot displays the 'Monitoring and Supervisory System' interface for the Department of Health, Government of Sindh. The main heading is 'Monitoring and Supervisory Checklists'. Below this, there are several expandable sections, each starting with a '+' icon. The sections are: Supervisory Visit Plan, LHW Program Checklists, EPI Program Checklists, MNCH Program Checklists, Nutrition Support Program Checklists, TB Program Checklists, Malaria Control Program Checklists, and Hepatitis Control Program Checklists. The MNCH Program Checklists section is expanded, showing a list of specific checklists: Monthly Monitoring of CMW/Nursing and Midwifery/Public Health School, Six monthly Monitoring of CMW/Nursing and Midwifery/Public Health School, CMW's Administrative Supervisory Checklist, CMW's Technical Monitoring Checklist, and Quarterly Health Facility status Checklist (B-EmONC and C-EmONC). Each checklist has a Word (W) and PDF (P) icon next to it. A file download dialog box is overlaid on the right side of the screen, titled 'Opening Monthly Monitoring of CMW-Nursing and Midwifery-PH Schools - MNCH.docx'. The dialog box shows the file name, its size (60.4 KB), and the source URL (http://checklists.sindh.gov.pk). It asks 'What should Firefox do with this file?' and provides two options: 'Open with Microsoft Word (default)' and 'Save File'. The 'Save File' option is selected. There are 'OK' and 'Cancel' buttons at the bottom of the dialog box. Three callout boxes provide additional information: one points to the '+' icon in the Hepatitis Control Program Checklists section with the text 'Click + to explore list of checklists in this section'; another points to the list of checklists under the MNCH section with the text 'Downloadable Supervisory checklists'; and a third points to the file download dialog box with the text 'File download dialog box after clicking on word or pdf icon'.

Make Plan

By clicking on Make plan, interface of making new plan for the month will be appeared. This interface will facilitate supervisors to make plan for coming month, by selecting visit category, health facility to be visited, checklist to be filled and any particular health care provider whose checklist to be filled like CMW, LHW and any SBA, and dates when health facilities will be visited in plan. Following figures show the functioning of Make new plan

Online Monitoring and Supervision System User Manual

- Visit plan is editable until approved by DHO. After the approval of DHO, this plan may not be changed
- Supervisor has facility to select as many checklists he want to filled during one visit
- Supervisor may add as many visit as he wants to include in plan
- One supervisor may make only one plan for a month. If plan already exist, then following message will appear

The screenshot displays the 'Monitoring and Supervisory System' interface for the Department of Health, Government of Sindh - Jamshoro. The user is logged in as 'jms_h_fmunch' with the designation 'Program Focal Persons of MNCH (FP-MNCH)'. The system shows a confirmation message: 'Plan for selected fmonth have been already approved!'. The form includes fields for 'Visit plan submission date' (29-04-2016), 'Designation of Supervisor' (Program Focal Persons of MNCH), 'Program' (MNCH Program), and 'Year - Month' (2016-04). It also shows 'Total No. of field visits planned' (1) and 'District' (Jamshoro). Below these fields is a table titled 'List Of Facilities - Visits Planned' with columns: Sr. No., Visit Category, Facility Type, Facility Name, Checklist, HCP Type, HCP Name, and Date. The table contains one entry with Sr. No. 1, Visit Category DAP, Facility Type THQ - Tehsil, Facility Name Select Facility, Checklist -- Select Checklist--, HCP Type, HCP Name, and Date. At the bottom right, there are buttons for 'Submit Plan', 'Reset Form', and 'Cancel'.
